

GLI SPECIALI - MR. CHIPS

Instructions for use

1. Spread the frozen chips directly into the baking sheet.
2. For a better baking results, form just one layer of chips and don't add any oil.
3. Warm up the oven at 220 degrees.
4. Place the tray into the oven and bake the chips for roughly 30 minutes.
5. Place the chips on a plate, salt the way you like and serve.
6. For the cleaning of the mould after use, hand-wash with dish soap and dry the mould immediately after washing.
