

La passione prende forma.

## CAKES IN COLOR

Sweet or salty, with Guardini every dish is just pure creativity!

Red, green, violet, blue, yellow, orange... the passion for color explodes in the kitchen, too.

Guardini created a line of baking sheets with a beautiful design but that are also resistant and easy to use. They are made of Hi-Top steel and are coated with a non-sticking Tower layer and assure perfect cooking and non-sticking results.

The pleasure of cooking will be enhanced by the creativity of serving your guests the most traditional recipes with the most glamorous shapes and colors.

Bring your cooking skills to the table with fun and joy.
